Catering Guidelines
 Policies and procedures covering all events

Important Deadlines
Depending on the size and scope of the event, Culinary Creations Catering will need advance notice to ensure your order is properly organized and delivered accurately on time:

**One Week Prior to the Event:**
Notice required for small meetings, receptions, or refreshment breaks.

**Two-Three Weeks Prior to the Event:**
Notice required for events requiring menu selection, such as luncheons and dinners

**One Month Prior to the Event:**
Notice required for unusually large events, events requiring custom menu planning, or events requiring complex details. Orders placed more than one month prior, with no changes to the menu leading up to the event, will receive a 10% discount on this guide’s published prices.

Guarantees
An estimated number of guests must be provided at the time of your booking. The final guest count (guarantee) must be submitted at least 72 business hours prior to the event. If attendance is equal to or less than the guarantee, you will be billed for the guarantee. If attendance exceeds the guarantee, you will be billed for the actual attendance. If no guarantee is submitted, the original estimate becomes the guarantee.

Culinary Creations guarantees sufficient quantities of food and table settings to accommodate the guarantee plus five percent or a maximum of ten guests above the guarantee, whichever is less. All events with hot and/or perishable foods displayed will remain open for a maximum of 2 hours. At the events end, all food and beverages will remain the property of WVU Dining Services.

Event prices in this guide are based on our required minimum of 20 guests unless otherwise noted. If you wish to book a smaller event, additional costs may be added to your total depending on the individual menu and/or circumstances.

Cancellation, Late Booking, & Late Change Fees
To avoid a $50 Late Booking Fee or Cancellation Fee, please make sure to book your event or cancel your event at least 72 business hours before your event will begin. Event cancellations must be received in writing. Events cancelled less than 72 hours prior to the event will still be billed for the guaranteed number of guests. To avoid a $25 Late Change Fee, please make all of your changes at least 72 business hours before your event. Making these changes and orders at least 72 business hours in advance will help ensure a successful event by affording us adequate time to properly prepare and present your event. Culinary Creations Catering may waive these fees at their discretion.

Pricing Disclaimer
Due to market fluctuations, we reserve the right to change prices at our discretion.
**Alcohol**
Those wishing to serve alcohol, as a supplement to a catered event, must seek authorization from Robin Yorty, Exec. Director and Chief Protocol Officer, University Events, (304) 293-8023, or robin.yorty@mail.wvu.edu before the event is scheduled. After you have received the required authorization, event hosts must provide Culinary Creations with written notice of intent to serve alcohol and are required to purchase all alcohol independently. Culinary Creations will provide bar staff for events serving alcohol. See “Staffing Information” below for more details, or contact your catering representative with any questions.

**Room Reservations**
Your room reservation arrangements for tables, chairs, room set-up, and delivery must be made separately with either the WVU Physical Plant or the appropriate facility prior to booking your event. Event location must be available two hours prior to the start of the event for setup. Tables, chairs, and room set-up must be complete two hours prior to event start.

**Rain Cancellations**
A rain location must be secured for any outdoor events. The catering manager working with your event will determine if the event will need to be moved due to inclement weather.

**Floral Arrangements**
Culinary Creations Catering will gladly add floral arrangements to your event. Please let your catering manager know if you’d like to add floral arrangements, and we can provide a floral cost estimate based on seasonal availability. Floral requests must be made at least two weeks prior to an event. No changes can be made to floral orders two weeks prior to the event.

**Staffing Information**
Additional service staff will be subject to a charge of $15/hour per server for a minimum of four consecutive hours, which will include prep, set up, service, and clean up times. An on site Chef is $60/hour. Staff are provided at no additional charge for full meals. Receptions, refreshment breaks, continental breakfasts include set-up, and for these events, service staff can be arranged at an additional charge.

**Food Allergies & Special Diets**
Culinary Creations Catering is happy to accommodate any guests with special diet needs. It is of supreme importance that our team is fully prepared to serve safe, allergen free dishes to guests whose conditions may cause illness or even death. To guarantee a safe and delicious dining experience for these unique guests, the event coordinator is responsible for ensuring the following:

1. Please provide Culinary Creations Catering any unique dietary needs 72 hours prior to the event start time. This includes vegetarian, vegan, food allergies, religious diets, or any other unique dietary need.

2. Be aware and communicate to guests as needed that nut products are used in our kitchens, though we are able to prepare allergen free food in a separate, sterile environment with 72 hours prior notice.

3. For events that do not provide Culinary Creations Catering with this information 72 hours in advance of the event, we cannot guarantee that we will be able to provide a safe and healthy accommodation to guests with unique diets.
